## INSTRUCTIONS

1. Print out the pattern. [Click here](#)
2. Fold the fabric in half, lengthwise.
3. Lay the pattern on the fabric with the top of the handle on the fold.

5. At your sewing machine, select your desired decorative stitches. Stitch around the outside edge of the handle section of your wine bag and on the main section of the wine bag, as desired.  
**Note:** For best results when stitching decorative stitches, place stabilizer under the fabric.
6. With the right sides together, stitch the left and right sides of the wine bag and along the bottom of the bag using a  $\frac{1}{4}$ " seam.
7. Re-fold the bag and match the side seams and the bag bottom seams and stitch using a  $\frac{1}{4}$ " seam. Turn right side out.
8. At your ScanNCut, select your desired design. Suggested designs: AR013, AR010.
9. Using font FOA007, enter the word "Cheers!".

## INSTRUCTIONS (CONT'D)

10. Enlarge it to your desired size. Suggested size: 2" x 7"
11. Mirror image your design.
12. Place the heat sensitive vinyl shiny side down on the cutting mat.
13. Suggested settings for your ScanNCut: Blade 1, Cut Pressure 1, Cut Speed 3
14. Add test cut.
15. Cut.
16. Weed your design.
17. Place the vinyl on your wine bag and press it in place with the iron.
18. Add bling with rhinestones as desired.

## ADDITIONAL OPTIONS AND SUGGESTIONS:

- For a 2-colour look, cut the body of the wine bag and replace the section with a second colour. Join sections by butting fabric pieces together and sewing with a decorative stitch.
- Cut tags from ScanNCut built-in designs for wine bags and attach to bag with ribbons.
- Suggested wording for wine bags: Celebrate, Cheers, Be Merry, Happy Holidays, For You

It's fun and quick to spread holiday cheer with these one-of-a-kind wine bags.
