

Embroidered Top

Adding a touch of style to an existing top is simple to do with embroidery details in complementary colours. There are so many design options when you use one of the built-in designs on your Brother THE Dream Machine, or import your own either by using the scanning mat, through USB or wirelessly using BES software.

Time Required: 30 minutes

Skill Level: Beginner

MATERIALS REQUIRED

- Brother THE Dream Machine
- A lightweight woven shirt
- Medium-weight cutaway stabilizer
- Embroidery thread in three colours
- Embroidery scissors
- Fabric scissors

Embroidered Top

INSTRUCTIONS

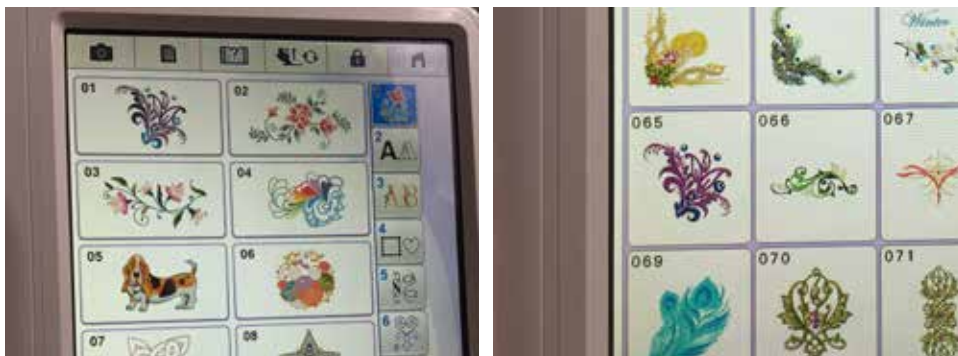

1. Cut a piece of stabilizer 9" (23 cm) x 10" (26 cm), and hoop the stabilizer and shirt into the smallest hoop included with THE Dream Machine.

2. From the home screen of your machine, choose "Embroidery".

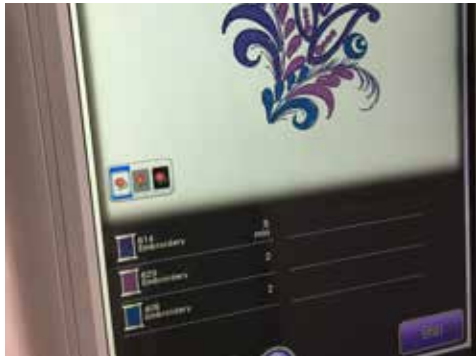

3. From pattern category 1, choose design #65.
