SPRING DOOR HANGERS

Prepare fabric

1. Follow directions in package to adhere fabric appliqué backing to wrong side of all fabric to be cut at the ScanNCut.

Cut the fabric

1. To cut the egg shapes select, BA-A098 and enlarge to desired size. I enlarged to 10.45" x 8.56".
2. Cut 2 egg-shaped ovals for each door hanger.
3. Cut 2 egg-shaped ovals for the pocket.

The following ScanNCut designs were used

Flowers AR-A010

Butterfly AR-C021

Rabbit design is provided (bunny.fcm)

4. Lay prepared fabric on the ScanNCut mat.
5. Scan mat to determine placement of fabric and designs.
6. Arrange designs to cut where desired.
7. Press Cut.
8. Remove designs from mat.

SPRING DOOR HANGERS

Assemble Door Hangers

1. Arrange cut designs on right side of door hanger ovals.
2. Press in place.
3. To create a free-flowing stitch to connect the flowers, select stitch 1-03 and stitch a curved line from the top of the egg to the bottom of the egg. Position flowers as desired.
4. To attach buttons to middle of flowers, use the button attachment foot provided with your Brother Sewing machine, as desired.
5. Embellish door hangers with stick-on crystals. For example, the rabbit has crystal eyes and the butterflies are adorned with crystals.
6. For pockets, fold the top third of the pocket fabric oval to the wrong side on each of the 2 pocket pieces. Press the fold.
7. Layer the pocket pieces wrong sides together and stitch on the fold line, $\frac{1}{4}$ from the edge.
8. Place wrong sides of each main egg together and place the pocket fabric on the back side of the egg.
9. Select a blanket stitch and enlarge to desired size of stitch. (see figure 1)
10. Fold ribbon in half and place in the top of the egg. Pin in place.
11. Stitch around the outside of the egg. Start stitching at the bottom of the egg. You will be stitching through 2 layers of egg fabric and 2 layers of pocket fabric. (see figure 2)
12. Hang your egg on a door and welcome spring.
